Field visit on 31st October

An all-day fieldtrip will be organised by l'Office de l'Environnement de la Corse (OEC) on 31 October. The trip will start from Ajaccio in the early morning and it will be divided in two circuits: one to Gravona's valley and one to Prunelli's valley. Registration is compulsory to participate to the field visit. Please note also that participants will be required to pay a fee.
More information is available on the description document.
